Health Partnership Planning Worksheet

List your organization’s mission:

List your organization’s core values, vision, and/or other applicable strategic organizational information:

What are the health literacy needs within your community?

Brainstorm 2-3 possible projects and potential partners:

1.

2.

3.

Now do a brief analysis of each potential project/partnership...

Potential Project 1

What's at Stake? Risks	What do you have to Gain? Benefits

Potential Partner 2:

What's at Stake? Risks	What do you have to Gain? Benefits

Potential Partner 3:

What's at Stake? Risks	What do you have to Gain? Benefits

Choose 1 of these 3 Potential Partners and list likely or desired outcome(s) of your partnership (i.e. funding, a new program, shared resources...). Resolve to contact this potential partner when you return to work!
