Birthday Book Dedicates

Cartmager Elementary School Library

We would like to assist you in making your child's birthday very special! We are offering a Birthday Book Program at our library!

- We will visit your child on their birthday and present them with a NEW book that is age-appropriate to their age.
- A birthday cake plate or picture of the student will be placed in the front cover of the book. The book is checked out to a cartmager student's year class or his/her name!
- The birthday gift will be the first student to take the new book home.
- The book will be saved for many years for students to enjoy!

If you would like to donate a book to our library in honor of your child's birthday, please send the completed form along with \$5.00 cash to Cartmager Library. All entries must be placed by September 11, 2015, each only please.
